SEPTEMBER
9TH - 10TH
2022

MAC EQUIPMENT INC INDOOR ARENA
AT THE RANCH
LOVELAND, COLORADO

Selling 50+ broke horses and prospects!
RANCH - ROPE - TRAIL - PERFORMANCE HORSES

Thank you for joining us at the inaugural *Centennial Select Horse Sale!*

Centennial Livestock Auction is grateful for the opportunity to sell such fine horses from diverse backgrounds all across the country. This sale was brought to life with the idea of selling honest horses from exceptional horsemen and women.

It is the buyer's responsibility to research the foundation & background of horses. Talk with consignors & learn about their program. Sale horses have the option to show in a competition on cattle, over obstacles, and in an open arena. Horses will be placed first-third in these classes. We encourage buyers to come and watch this preview of the horses!

We strongly encourage buyers to invest in a pre-purchase veterinary exam on horses of interest. Exams are available at your cost on Saturday prior to the sale by Parsaye Veterinary Services Inc.

We are excited to move off premise with a horse sale. Special thanks to The Ranch, Ge Wyscarver, our sponsors & vendors for making this sale come to life!

Happy Bidding!

PH COWGIRLS R SMART

2017 APHA MARE - 13.2 HH

"Twist" has the agility, and quick feet to make her granddaddy proud, and the brain to make her easy enough for just about any one to handle. She is stocky enough to comfortably carry all types of riders. Twist stands for the farrier, loads easily, rides English or western, has never been barn nor buddy sour and will stand tied for as long as you'd like. She greets you in the pasture, easy to catch. Twist is current on vaccinations, teeth, and has been spoiled with massage and chiropractic appointments. To date, she has been worked on obstacle challenge courses, trails, and in the arena. Twist has the beginning of a solid lovely stop, forward gaits, and is soft to leg and bridle. Twist was ridden in the Rocky Mountain Horse Expo by a 14 year old girl in clinics and the obstacle challenge series. She handled stalls, large crowds, close quarters and a busy environment with grace. She has been used in both lead line and off line lessons for children ages 5-8. Twist would make the perfect "step up" mount for a young teen, or adult looking to building a partnership with a horse capable of competing in any arena, or out on the trails!

Lot 49 SKEETER

2018 GRADE GELDING - 14.1 HH

Skeeter leads, loads, ties, stands for the farrier, is easy to bathe, and has a general puppy dog personality. Sound, sane and eager to please, Skeeter is light off the leg, gentle in the mouth and makes for a smooth, rather lazy ride. He crosses bridges, creeks, good through tight spaces, and is easy to talk through any situation.

Skeeter rides and packs, has competed in obstacle challenges, and is learning the ropes of low level reining. Skeeter is cute under english tack, and has the scope to make a lovely hunter or low level eventer. Cautious over small fences, but eager to please.

With instruction, Skeeter's lovely mindset would be an ideal match for a pre-teen or teen looking to develop their skills, or an adult looking for a partner game for anything — especially quiet days filled with grooming and snacks — he truly is your new best friend, just waiting.

2013 DRAFT CROSS GELDING - 17 HH

Big John is a 9 year old, 17 hand draft cross gelding. This big horse will do it all. He rides around like a dream and lopes around slow and smooth, but still has the speed to run down a yearling. I've done everything on the ranch on him from dragging calves to doctoring yearlings, drug big stuff in the trailer with him, lead pack strings, and drove him some. He crosses rough country, ditches and rivers calmly but can cover some country in a hurry when you ask him.
